**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen sonic.net as my broadband internet provider because of the amazing service they give compared with Comcast and AT&T. We need to have this kind of competition in a democratic capitalistic economy. To function the best, capitalism requires competition. Please do not pass any rules that will inhibit small carriers like sonic.net from being competitive. This is very important for me to function in our internet business society.

Thank you for taking my input.
